

Project Evaluation Form of Team Members

Print and fill out the following form for each team member. Turn in your evaluations in a sealed envelope with your project. Each member must participate in each aspect of the project cooperatively with the team. Do not try and divided and conquer, this must be a team effort. You will not receive credit for the project without satisfactory evaluations from all team members

TEAM MEMBER

Group Members:

List the team member's contributions to each the following stages of the project

Planning

Gathering Information

Development of the Projects Product (reports, PowerPoint, video, or built project)

Assess the team member's ability to work in a group in each of the following areas. Use specific examples when possible.
